Hospitals

VOLUME 61

Numbers 1 through 24

inclusive

SUBJECT INDEX

A

ACCREDITATION
Cooperation is at core of new JCAH survey. Jul 20-64
Home care standards: Some questions remain. Nov 20-77
JCAH accreditation provides competitive edge (Smith). Jun 20-132
JCAH clarifies literature on accreditation. Jun 5-56
JCAH enters fray with liability-related standards. Apr 5-60
New JCAHO fees based on patient volume. Nov 5-78
Unexpected opposition to the autopsy. Oct 5-100

ACQUIRED IMMUNE DEFICIENCY SYNDROME
AIDS law in CA binds hospitals. Aug 20-50
AIDS ranked as number-one U.S. health problem. May 5-104
AIDS statistics tell only half the story. Jun 20-FB118
Casualty insurers eye AIDS claims. Aug 20-36
Coalition educates employees about AIDS. Apr 5-67
Developing policies on employees with AIDS. Oct 20-61
Employment issues dominate hospital AIDS suits. Aug 20-49
Following CDC guidelines can reduce AIDS risks. Nov 20-46
Going home to die. Aug 20-54
Health workers with AIDS: public wants to know. Jul 5-71
Hospital involvement with AIDS and home care. Aug 20-54
Hospital not liable for AIDS from blood transfusion. Sep 5-60
Insurer counsels on preemployment testing for AIDS. Sep 20-35
Koop: AIDS poses ethical dilemmas for physicians. Dec 5-61
Long-term care facilities needed for AIDS patients. Aug 20-56
MD with AIDS: scenario poses policy questions. Apr 5-68
Public supports AIDS education, research. Jan 5-67
Regional centers: innovations on the AIDS picture. Apr 5-76
Upbeat Mayberry charts course for AIDS panel (Mayberry). Oct 5-137

ACQUISITIONS AND MERGERS
AMI buyout offer: no trendsetter. Apr 5-77
Before you buy, take time to involve medical staff. Feb 20-76
Clinical integration elusive but possible. Jan 5-40
Competitors welcome Baxter-Caremark merger. Aug 20-61
Corporate developments benefit patients (Gertman). Jun 20-97
CSOPs: a useful tool for effecting mergers. Dec 5-26
Failed merger: a fluke or end of a multi trend? Apr 20-120
HCA offer: interpreting those big buyout bids. May 20-84
Looking to acquire, merge? Do your homework (Pfeil). Jan 5-80
More hospitals to establish referral networks. Jan 5-38
Multi merger and acquisition action slowed by Court. Jun 5-52
Rural hospitals will merge despite egos. Jan 5-39
What's driving upcoming mergers? Jan 5-36

AGED
Aging workforce encourages elder care benefits (Creedon). Sep 20-68
Community seniors create ideal health plan. Sep 5-79
Financing and aging concern chairman-elect-designate (Connors). Aug 20-46
Interest in Alzheimer's centers growing. Apr 20-112
The nation looks for new ways to finance care for the aged. Sep 20-48
Rentals, condos lead in senior housing. Oct 5-132
Specialty groups will standardize geriatric care. Jun 5-57

AMBULATORY CARE
Ambulatory care payment system ready, waiting. Feb 20-80
Ambulatory care: the next battlefield. May 20-78
AVGs: Will insurance firms follow the leader? Jul 20-6
80% of hospitals to expand ambulatory services. Feb 5-74
Hospital design follows the crowd to ambulatory care. Feb 20-58
Vendors predict growth in ambulatory care software. Aug 5-96

AMERICAN HOSPITAL ASSOCIATION
Directory, 1987. Mar 20-129

ANTITRUST LAW
More private, less government PPA antitrust action. Feb 5-52
Study backs FTC antitrust opinion. Aug 5-56

B

BLOOD DONOR SYSTEM
Frozen-blood banking: service or sham? May 20-90

BONDS
Analysts see '87 bond volume of under $10 billion. Feb 5-28
Bond volume's down again for tax-exempt debt. Nov 20-42
'86 bond volume drops back to $8.7 billion. Feb 20-26
Hospital issues' 2Q downgradings buck muni trend. Oct 5-34
Interest rates drop bond volume in second quarter. Aug 20-32
Lower ratings won't hinder 'smart' bond buys. Jun 20-FB50
Salomon's exit surprises rivals and issuers. Nov 20-40
Tax day ends first quarter bond interest rates. May 20-30

C

CERTIFICATION OF NEED PROGRAM
Fear of expansion keeps CON alive. Jun 20-76

CHIEF EXECUTIVE OFFICERS
In search of excellence: a road map for CEOs (Peters). May 5-91
More than one-third of CEOs feel threatened. Oct 5-81
Public hospital CEO preserves mission, cuts costs (Dandridge). May 20-82
The revolving door: CEO turnover. Oct 5-80
What is leadership? What's impeding it? May 20-52
Who recruits CEOs? Oct 5-82

CHILD CARE
Kids' Klinic provides option for working parents. Oct 20-40

COALITIONS
Business health coalitions evolve in 1987. Dec 20-41
Chamber closes clearinghouse: a coming trend? May 5-78
Coalition creates 'multicarrier-friendly' PPO. Nov 20-75
Coalitions rank quality as their top concern. May 5-76
Coalitions search for reliable cost data. Nov 5-68
Coalitions use data for education. Aug 20-53
Common ground unites unlikely coalition. Oct 5-92
DC coalition reorganizes for more clout. Sep 20-61
Illinois coalition to develop referral service. Aug 5-107

COMPETITION
Are physician labs a competitive threat? Apr 20-96
Competing at last: tale of two hospitals. Jul 5-30
Dumping law: a competitive weapon for hospitals? Jun 20-74
In Philadelphia, HMO-PA, Blues battle for top spot. Apr-54
Is religion a competitive edge? Apr 20-60
Minneapolis: mature market has its own woes. Apr 5-55

COMPUTER SOFTWARE
Lab software vendors expand market share. Apr 20-126
Pricing, quality concerns dictate decision support software. Aug 5-82
Software aids marketing efforts. Aug 5-86
Vendors predict growth in ambulatory care software. Aug 5-96

COMPUTERS
Bedside terminals help bring nurses back to nursing. Aug 5-80
Computerized labs speak. Apr 20-98
Hospitals look to computerization of physician offices as linkage. Aug 5-92
Local area networks increase 500% in 1986. Jan 20-110
Use of personal computers increases 40% in '86. Feb 20-98

CORPORATE RESTRUCTURING
Corporate restructuring opens referral avenues (Stephens). Mar 5-62
HCA's restructuring solution: employee ownership. Jun 20-42

COST CONTAINMENT
Awareness key to cost control: Martin. Apr 20-72
Cogeneration: An old idea gets recharged. Jul 20-72
Increased volume, pared costs stem price increases. Apr 5-46
States create 2,972 programs to ratchet costs. Mar 20-122

D

DESIGN AND CONSTRUCTION
Building v. renovation: weighing options. Oct 5-110
Construction report outlines 56 new projects. Jul 5-72
Hospital construction takes a dip. Oct 5-106
Hospital design follows the crowd to ambulatory care. Feb 20-58
Innovative financing marks construction. Oct 5-114
Lab design that counts. Apr 20-102
MOB/ambulatory center hybrid surfaces. Oct 5-118
Need a new satellite facility? Try a restaurant. Jan 5-68
New health care construction projects cited. Oct 5-156
Patient-friendly designs lure consumers. Oct 5-126
Rentals, condos lead in senior housing. Oct 5-132
Report outlines 87 new building projects. Apr 5-84
Report outlines 68 new projects. Jan 5-68
Research and development facilities attract money. Feb 20-62
Women's health centers: a growing trend. Oct 5-124

DIAGNOSIS-RELATED GROUPS
Battle over RAP DRGs heats up even more. Apr 20-78
CHAMPUS plans Oct. 1 start-up of DRG system. Jul 20-18
DRG payments for RAPS slated in '87. Jan 20-26
Kidney transplant DRG to include procurement cost. Dec 5-24
Physician DRGs? PhysPRC's Ginsburg says no. Feb 5-59
PPS refinements sought to improve DRG payments. Sep 20-22
ProPAC: create 'temporary' DRGs. Mar 20-44
RAP researcher defends her proposal (Mitchell). Apr 20-114

DIALYSIS
Dialysis reuse to be resolved. Feb 5-67

DRUGS
Drug dispensing by MDs stirs controversy. May 20-66
Hospitals plunge into the drug testing market. Apr 20-86
Impact of FDA's new drug rule? Not much. Aug 5-106

E

EDUCATION
Cutbacks in GME financing to affect uninsured. Aug 5-48
Some reasons for drop in med school enrollments...Apr 20-80
White House, HHS seek more cuts in GME payments. Jan 20-24
Who will finance graduate medical education? Aug 5-46

EMERGENCY CARE
Bad publicity forces evaluation of EMS services. Apr 5-71
Congress addresses trauma network problems. Oct 20-65
Contract ED services: rushing in a bright future. May 20-74
Emergency care: The changes are just beginning. Jul 5-58

EQUIPMENT
Equipment changes with cost-efficient times. Apr 20-106

ETHICS
Hospitals: making room for many faiths (Marty). Nov 5-104
Koop: AIDS poses ethical dilemmas for physicians. Dec 5-61
Liability issues increasing ethics consultations. May 5-80
Public opinion divided on surrogate parenting. Aug 5-114
Right to die: public balks at deciding for others. Mar 5-72

F

FINANCIAL MANAGEMENT
A rare event: hospital receives credit upgrading. Apr 20-38
Another bad year for hospital credit downgradings. Feb 20-32
Are IG's profit figures for real? Maybe not. Apr 5-36
Are purchasing practices hurting your cash flow? Mar 20-54
Buying MD practices: The trend continues. Jul 20-63
Cash flow more stable during third-quarter '86. Jan 5-23
Cash flow, profit under pressure for many in 1987. Dec 20-23
CD management: a new investment tack? Dec 5-69
CEOs see major payment changes within two years. Feb 20-32
CFO's use of money managers on the rise. Sep 20-32
CFOs: doing more, paid more, aspiring less? Oct 5-32
Electronic billing can speed up cash flow. Sep 5-76
Escrow catch-22: State laws void allowed interest. Jun 20-46
Evangelical acts to hike cash flow without PIP. Mar 5-24
FHA mortgage insurance rules will limit access. May 5-26
For-profit DME subsidiaries up tax load: expert. Oct 5-39
HFMA offers tips to respond to loss of PIP. Mar 5-28
Hospital profits low compared to other industries. Apr 5-38
Humana boosts its receivables through ECP. Mar 5-28
Ibbotson chides not-for-profits on investments. Nov 20-78
In mature market, pay attention to price, discounts. Jul 5-36
Innovative financing marks construction. Oct 5-114
Many multis are still learning cash-flow moves. Jun 20-107
More hospitals at financial risk in 1987. Dec 20-21
Multis, vendors reexamine payment policies. Mar 20-94
1987: The year tax reform came home to roost. Dec 20-23
No MD practice purchasing: Scripps Memorial. Sep 20-74
Occupancy and home health use linked. Dec 20-22
Public hospital CEO preserves mission, cuts costs (Dandridge). May 20-82
Receivables, payables high in 4th quarter '86. May 5-34
Sale/lease-back with doctors being explored by hospitals. Nov 20-44
State execs see profit margins disappear in '87. Dec 20-25
Still need a debt service reserve fund? Maybe not. Jun 5-28
Study says state all-payer systems successful. Nov 5-39
Taxable volume fell during first half. Aug 20-34
Twin Cities credit ratings may drop. Nov 5-34
Twin Cities hospitals' finances under siege. Nov 5-32
1986 FAS ratios document hospitals' troubles. Oct 20-30
...But CFO is concerned about the loss of PIP. Apr 20-38

FINANCING HEALTH CARE
Conflicting data greet Congress in reconciliation. Aug 5-22
Congress wrestles with financing catastrophic care. Jun 5-24
Financing and aging concern chairman-elect-designate (Connors). Aug 20-46
HCFA's capital proposal, projections unrealistic. Aug 5-26
Health dollar falls short for elderly and poor. Dec 5-34
Indigent care: public wants government to pay. Oct 5-152
The nation looks for new ways to finance care for the aged. Sep 20-48
Public supports transplants, but who should pay? Sep 5-86

FREESTANDING MEDICAL CENTERS
CA hospitals riled by surgicenter inpatient project. Mar 5-61
California hospitals wary of 'minihospitals.' Sep 20-65
Freestandings bound to gain under new PPS plan. Jul 5-60
Interest in freestanding cancer centers expands. Aug 5-59

H

HEALTH CARE SYSTEM
Add cooperation to regulation and competition (Hill-Chinn). Dec 5-88
Ahead to the future: reshaping health care. Apr 20-122
Alternate care expansion continues: AHA data. Nov 5-76
Derzon: What's ailing health care? Oct 20-66
Eight facts of life shaping health care (Ginzberg). Aug 20-80
Health care not on the election agenda. Dec 5-75
Intent, design of uniform reporting plan questioned. Sep 20-25
Quality, access in forefront for HHS's Bowen. Jun 5-60

HEALTH ECONOMICS
Amnesty law's impact on Medicaid unclear. Sep 5-42
Are 'real' medical costs really soaring? Apr 5-44
Flawed methods cripple study on not-for-profits. Apr 20-136
Hospital visits fewer but more costly. Jul 5-58
Low prices: a strategy for the foolhardy? (Folger). Feb 20-112
Medical care inflation alarms may be premature. Mar 5-33
Medical spending to increase 10%: Commerce Dept. Feb 5-32
Minimum-wage proposal could boost labor costs. Jun 5-32
1987: new year, same old troubles—only worse. Jan 5-22
Profitability worsens while financials level. Jan 5-24

Regulation v. competition: three states choose. Jul 5-34
Second quarter shows signs of downturn. Nov 5-40
States predict slim operating margins, closures. Jan 5-26
Uncompensated care costs rise nationwide. Mar 5-34
What the CPI doesn't say about medical costs. Jan 5-27

HEALTH INSURANCE
BCBS mutuals like flexibility. Apr 5-33
Bill mandates coverage for all employees. Jun 20-41
Blues' case management programs win support. Sep 20-28
Business blasts Kennedy plan to mandate benefits. Jul 5-56
Business/providers synonymous? '87 will tell. Jan 5-53
Caterpillar's Wright brings employer interest to PhysPRC. Feb 20-74
CHAMPUS reform: opportunity or potential risk? May 5-30
Congress greets onslaught of catastrophic bills. Mar 5-45
Congress rallies around catastrophic coverage. Mar 5-19
Controversy brews over Alabama CMP. Jan 5-34
Do elderly understand catastrophic bill? Dec 5-70
Employees naive about health care benefits. Jul 20-54
Employers armed for direct negotiations. Jul 20-52
Ensuring access to essential health care (Kennedy). Jan 20-120
Flex benefits prompt savings. Apr 5-67
Flexible benefits: a catastrophe for providers. Mar 20-92
Geographic capitation revisited? Jan 5-34
GM's view on purchasing high-quality providers (Butler). Jul 20-90
High insurance rates prompt self insurance. Jul 5-56
Honeywell moves to direct provider contracts. Jul 20-55
Hospitals keep contracts with HMOs and PPAs. Feb 5-43
Hospitals to feel the heat as plans handle change. Jan 20-44
Insurer adopts managed care plan. Apr 20-76
Insurers moving to get data before contracting. Feb 20-52
Insurers set to fight managed care plan fraud. Feb 5-42
Marketing finance mechanisms requires education. Sep 20-54
Missouri takes steps to narrow insurance gap. Feb 5-20
More changes predicted for managed care. Jan 5-32
Negotiating life-style: an employer trend? May 20-60
New benefits managers surface. May 20-62
Providers bear cost of poor payer information. Apr 20-33
Rewards spur employee use of WI provider. Sep 20-60
Ruling may trip CHAMPUS reform. Apr 20-68
SC Blues plan drops Medicare risk contract. May 5-54
Second opinion programs losing strength? Jun 20-82
Stanley Works adds adoption benefits. Nov 5-70
Stanley Works amends benefits. Oct 5-94
Study scrutinizes private case management. Nov 5-56
Subsidizing insurance for small employers. Dec 5-60
Suppliers as employers: a business conflict? Mar 20-90
Survey profiles managed care winners/losers. Apr 20-57
Teamsters look to expand provider contracts. Aug 20-52
3M offers new health plan to employees. Mar 20-92
Tenneco company amends benefits. Aug 20-53
WI Blue Cross: $29.3 million loss becomes profit. Jul 5-26

HEALTH MAINTENANCE ORGANIZATIONS
Adverse selection alive and well? Debate continues. May 20-62
Analysts split on AAPCC hike, Waxman HMO bill. Oct 20-48
Are risk HMOs just too risky? Sep 20-41
AZ Medicaid HMO quits the business. Oct 20-49
Blues plans' HMO membership rose 43%. Oct 5-76
Capitated contracts, competition hit HMO markets. Apr 5-52
CEOs see a 5 to 15% income boost from HMOs/PPAs. Feb 5-46
CEOs tied down by HMO/PPA red tape. Feb 5-44
Change the HMO Act? Congress is busy elsewhere. Mar 5-40
Consolidation afoot among Chicago HMOs. Mar 20-74
Consolidation overshadows HMO growth in 1987. Dec 20 31
Equal contribution provision of HMO Act may be killed. Feb 20-52
Feds gave HMOs good and bad news. Dec 20-30
Five standards for evaluating HMO quality (Flanagan). Feb 5-88
For-profit hospitals accept riskier HMO payment. Sep 20-40
Formal hospital/HMO contracts increase. Jul 20-47
GHAA, AMCRA pan federal HMO/CMP review proposal. May 5-54
Hancock's HMO sale a move away from delivery. Jul 5-43
HCFA may not like IMC, but its members do. Jun 5-38
HHS ponders tying MDs incentives to HMO/CMP review. May 5-54
HHS pushing for medicaid HMOs. Feb 20-22
HMO America shrugs off buyout failure. Oct 20-48
HMO America's sale has financial twist to it. May 20-47
HMO execs shift focus, feel money pinch. Jul 20-50
HMO industry voices concern about PRO review (Doherty). Apr 5-72
HMO regs, bills high on states' '87-'88 agendas. Dec 5-44
HMO review bidders stew over delayed RFP. Mar 20-73
HMO review plan panned by prospective bidder. Apr 20-56
HMO/CMP review is up and running (finally). Nov 5-55
HMO/PPA update. Nov 20-62
HMOs bid for Florida state employee contracts. Nov 20-74
HMOs slam Senate aging committee's report. May 20-46
Hospitals track Medicare HMO enrollees. Apr 20-58
Hoyler: hospitals want fair shake from contracting. Jul 5-31
IMC goes belly-up; state still seeks potential buyers. Jun 20-64
InterStudy to Medicare: change HMO, CMP contracting. Aug 20-43
Is IMC's loss Humana's gain? Jul 5-44
Joint Commission moves forward on HMO review. Oct 5-64
Labor union plays hardball with HMO. Jan 5-35
Miami General in limbo as state takes bids on IMC. Jun 20-45
Minnesota HMOs: awash in red ink in'87, too? Nov 5-54
National firms charge ahead in HMO market. Oct 5-66
Physicians join HMOs reluctantly. Oct 5-100
Quality Quest gears up for HMO/CMP review. Nov 20-60
Rate hike an incomplete fix for Medicare HMOs. Oct 20-44
Riskier HMO payment for HMO-related hospitals. Aug 20-42
SamCor adds EAP coverage to HMO package. Aug 20-66
States preoccupied with HMO solvency issues. Dec 5-42
Troubled IMC: is it finally down for the count? Jun 5-36
Upset Minnesota HMO MDs consider unionizing. May 5-52
UR contracts can lead to HMO coverage later. Mar 20-78
WA Medicaid study challenges HMO care myths. Aug 5-42
What's an HMO? 51% of respondents don't know. Feb 5-78

HOME HEALTH CARE
Going home to die. Aug 20-54
HCFA's home care proposal 'ineffective.' Apr 5-30
Home care of ventilator-dependent children urged. May 20-88
Home care standards: Some questions remain. Nov 20-77
Hospital involvement with AIDS and home care. Aug 20-54
Medicare denials threaten the health of home care. Jun 5-58
PPS plan would hurt home health care. Nov 5-28
Quality assurance sought for home health care. Jun 20-94
Room to expand home care business in 1987. Jan 5-51

HOSPICE CARE
States opt for hospice Medicaid reimbursement. May 5-88

HOSPITAL CLOSURES
45% more community hospitals closed in '86. May 5-32

I

INCENTIVE PROGRAMS
Incentive plans: few 'safe harbors' from abuse laws. Jan 5-50

INDIGENT CARE
AL businesses take fresh approach to indigent care. Jan 20-60
Indigent care seen as states' top priority for '87. Jan 5-41
Indigent care: public wants government to pay. Oct 5-152
Multis pessimistic about indigent care issue. Mar 5-65
NU enacts trust fund pool for indigent care. Feb 5-22
Patient 'dumping' regulations offer little guidance. Sep 5-35
Ruling cites need for indigent law. Mar 5-55
Survey prompts call for defining indigent care. Mar 5-66

INFORMATION SYSTEMS
Alternate care systems cause dissatisfaction. Aug 20-71
Avoid three common myths when buying an HIS. Mar 5-64
Data processing budgets jump during 1987. Dec 20-60
Data systems lag far behind marketing efforts. Jun 20-122
DP hires, wages to outpace average until 1990. Mar 20-124
DP specialists in high demand. Apr 20-126
Executives wary of info systems consultants. Nov 20-91
Fact v. fiction in data processing. Jun 20-FB127
Financial information systems: building a better engine. Aug 5-70
HIS market will decline, then rise. Apr 20-126
Hospital-physician link generates $4 million. Dec 5-66
Information systems lack flexibility: HMOs. Jul 20-82
Information systems: a status report. Aug 5-61
The key to hospital automation? Realizing the benefits of the move. Aug 5-98
Most PPAs plugged into automated MIS. Jun 20-122
Point-of-care terminals: Interest abounds. Sep 20-79
Rydell: hospitals centralize information systems management. Aug 5-62
Systems to meet your every need. Aug 5-90

Vendor performance rated fair by hospitals. Oct 20-72
Vendors merge in their search for integrated information systems. Aug 5-68

J

JOINT VENTURES
Boston: capitated contracts tried via joint ventures. Apr 5-52
Joint venturers oblivious to tax calamity: lawyer. Aug 5-52
Joint ventures for fun and—sometimes—profit. Apr 20-90
Lab joint ventures: a view from the top. Apr 20-92
Physician-held REIT pros and cons. Jan 20-106

L

LABORATORY SERVICES
Computerized labs speak. Apr 20-98
Lab design that counts. Apr 20-102
Options: the name of the new lab game. Apr 20-82
Physician office labs to double. Feb 20-86

LAW
Abrams on states' role in policy and funding. Dec 20-46
Antitrust, reimbursement on Court docket. Nov 20-72
Arm of surrogate parent legislation reaches hospitals. Jul 5-53
Congress, states continue to debate tort reforms. Jun 20-FB84
Connecticut drops three tort reforms. Jul 20-60
Discharge risks fraud, antitrust. Feb 20-68
Fraud bill steams toward passage. Jun 5-49
Hospital ads in bounds legally. Mar 20-64
Hospital sued for act of contract MD. Feb 5-54
Interest grows in nontraditional tort reform. Aug 5-54
Massachusetts bill will be hard to follow. Nov 5-64
New tort reforms address access to care problems. Apr 20-68
Physician data base spurs legal, ethical debate. Jan 20-56
Public gains access to peer review data. Jan 20-57
Recruitment schemes face legal questions. Dec 5-54
Recruitment schemes risk tax status, break law. Jun 5-48
Responding to fraud investigations by insurers. Feb 20-66
States continue to wrestle with rate-setting laws. Apr 20-66
TN struggles with antidumping rules. Mar 20-88
Tort reform study isn't enough, critics contend. Oct 20-58
Tough fraud law tops '87 legislative action. Dec 20-40

LIABILITY INSURANCE
Company insures, reinsures, and cuts risk for MDs. May 20-38
Florida doctors use EDs as forum for malpractice. Feb 20-78
GAO completes liability study. Jul 20-38
How self-insured malpractice trust could be implemented in FL. Jul 20-27
IL hospitals' liability costs increase 103%. Jan 5-28
Insurance woes for Florida MDs hit panic stage. Jun 20-53
Insurers dabble in stop-loss policies for hospitals. Mar 20-60
Law to spur risky insurance ventures. Jan 20-36
Liability insurance crisis hit nursing industry. Oct 20-36
Liability reshapes hospital/physician relationships. Apr 5-56
Malpractice trusts to get tax-exempt funding. Jul 20-24
Medical malpractice premiums stabilized. Dec 20-26
Midwest hospitals pay the most for liability policies. May 20-38
No break in malpractice insurance premiums. Jan 20-34
Old policies source of coverage for pollution-related claims. Sep 20-35
Paths of stock, mutual insurers go separate ways. Aug 20-35
Price of liability policies increases. Jul 20-38
Risk retention law more trouble than it's worth? Apr 20-47
Self-insured plan cuts rates 50%. Feb 20-40
Tort reform not enough, GAO says. Feb 5-22
Vaccine plan cuts provider liability. Jan 20-36
Will the malpractice pocket become deeper? Feb 20-72

LITHOTRIPSY
Lithotripsy on wheels: a passing fad? Jun 20-114

LONG-TERM CARE
Big employers consider long-term care coverage. Sep 20-50
Catastrophic bill takes center stage in '87. Dec 20-53
Congress set to tackle spousal impoverishment. Jun 5-70
Elder care pushed as a new employee benefit. Apr 5-78
Fed, as employer, moves on long-term care. Mar 5-56
Fraud threatens LTC insurance market. Oct 5-88
Life Care at Home plan ready for 1988 start-up. Jul 5-68
Life care: You must know more than health care. May 5-98
Long-term care facilities needed for AIDS patients. Aug 20-56
Long-term care financing: Will it bury tax reform? Mar 5-42
LTC profit report angers industry experts. Mar 5-69
Medicaid's role in LTC financing examined. Sep 20-55
Minnesota's long-term care strategy revealed. Nov 5-90
On Lok: replicating a capitated LTC program. Aug 5-112
Private sector spearheading LTC financing. Mar 5-84
States bend laws to lure long-term care insurers. Mar 5-48
Survey spurs concern over SNF reimbursement. Oct 5-146
Turf war heats up between CA rehabs and SNFs. Feb 5-58
UAW creates pilot long-term care benefit. Dec 5-59
Will subacute care fall under PPS in 1987? Jan 5-64

M

MAGNETIC RESONANCE IMAGING
4 MRIs and counting: Mount Sinai's tech plan. Apr 20-124
How to avoid MR manufacturers bound to fail. Nov 5-60
Is MRI suitable for hospital environments? (Brody). Oct 20-88
Market demand for MRI facilities grows. Oct 5-120
MR: profits climb, bad debt drops. Nov 5-58
MRI centers: 10 design mistakes to avoid. Apr 5-82
Physicians shed light on marketing MR. Nov 5-72
PPS payment for outpatient MRI is below cost: study. Dec 5-68
Projecting MRI use: key to scanner purchases. Nov 20-82
What to look for at the RSNA. Nov 5-62

MALPRACTICE
Malpractice crisis blamed on patients. Jun 5-63
Malpractice studies assess law, insurance reform. Jul 20-58
Tort reforms discriminatory, impotent: opponents. Apr 5-65
